Information & Instructions

2010 BSA Scholarship Program

Any person is eligible to apply who is an employee or related to an employee of an BSA member firm or a group affiliated with the office products industry. Previous winners are eligible for a second award, but must reapply.

Candidates must have graduated from high school or its equivalent before July 1st of the year in which they will use the scholarship. They must have sufficient academic records to be accepted by an accredited college, university or technical institute. Students already in college are also eligible to apply.

Judges will take into consideration academic success, interest, special abilities, financial need and other factors in arriving at their choice of scholarship recipients. Without attempting to limit a choice of career the applicant may choose, the judges will give consideration to the degree in which the career choice could have an application to the office products industry.

Instructions

The person applying for the scholarship must complete this four-page application form and mail it, along with any attachments to the BSA address shown below. Mail as early as you can. BSA must have the application, transcripts and reference letters by **March 31, 2010**. Please use typewriter or ball pen. If you need more space to answer a question, use a blank piece of paper. Be sure your name appears on all attachments and particularly anything mailed to BSA separately. This form may be reproduced. If you do not have a form, use plain paper.

In addition to this completed form, BSA needs the following:

- A transcript of grades and credits, with the exception of the current semester. Students enrolled in college must furnish a copy of their high school transcripts and any other collegiate institutions attended.
- A reference letter from a person employed by a firm in the office products industry, holding an executive or managerial position.
